

IMMACULATE CONCEPTION PREP HOMESCHOOL

Dear PREP Families,

Welcome back to PREP at Immaculate Conception! We are delighted you have chosen to continue religious education for your child/children at home. We understand the need for flexibility during these times and hope you will find the homeschool materials (printed and online), provided by Loyola Press, to be enriching for your family. As this program is done at home and is parent/guardian led, we will not provide zoom/virtual instruction. Families can complete their studies at their own pace, adhering to a few deadlines. It is our hope that you will set aside time, once a week to complete each chapter, however, you may choose a pace that works best for you and your child/children. We do ask that you meet the deadlines below to ensure your child/children stay on track and can advance to the next level.
